

**New River Jujitsu**  
5101 Yellow Horse Lane  
Dublin, VA 24084

Dear Friend,

My name is Ric Anderton and I am inviting local businesses to be a part of an exciting national event. I am the owner/Head Instructor of New River Jujitsu, and our program emphasizes character building and community involvement, and as an example to our students, it is our pleasure to participate in worthwhile causes.

Our National governing body, Jujitsu America™, is hosting a **nation-wide** fundraising day for St. Jude's Children's Hospital. Affiliated Martial arts schools across the nation will be hosting seminars, clinics, kick-a-thons and donation drives on Saturday March 19<sup>th</sup>, 2016.

St. Jude's was founded in 1962 by entertainer Danny Thomas, to further research and provide care and support for children with debilitating diseases and their families. **Families never receive a bill from St. Jude** for treatment, travel, housing or food.

**ALL** proceeds from this drive go directly to St. Jude's Children's Hospital, and your donation/contribution will go to those in need. St. Jude's is a non-profit organization and your contribution is tax deductible.

Our primary group, Sanshin-ryu Jujitsu, has a goal of raising five thousand dollars (\$5000.00) during this meaningful fundraising event. There is no minimum donation and any contribution will be greatly appreciated.

Please make checks directly payable to: **St. Jude's Children's Hospital.**

Thank you for your time and consideration.

Sincerely,

**Richard A. Anderton**
