Nen - Mindfulness As a mental factor it signifies presence of mind, attentiveness to the present, rather than the faculty of memory regarding the past. In Zen, don't be mindful, please! When you walk, just walk. When you talk, just talk. Let the eating eat, the sitting sit. Let Jujitsu flow.

Mindfulness as in an awareness, of the consequences of our actions, of the world around us, of the situations and circumstances of our friends and importantly our adversaries, our present situation, the potential outcomes....
Mindfulness is Required for Jujitsu.

- To continue the study, growth and propagation of DanZan Ryu ZenYo BuJutsu.
- To develop and grow bonds among Students, Senseis, Professors and Family
- To learn the connections between life, Jujitsu and Nen-Mindfulness
- Classes for Kyu and Dan Ranks, taught by Senseis, Professors, and invited Guests.
