

# Seifukujitsu Restoration Therapy Certification Course

*Master Henry Okazaki*

An influence from Chinese medicine, Seifukujitsu has been refined throughout Japanese history and has been in practice for multiple centuries. Introduced to the Western world through Hawaii by Master Henry Okazaki, this Restoration Massage therapy has become the healing component to Dan Zan Ryu Jujitsu, which Master Okazaki also founded. In the traditional form of mentor/apprentice training, Master Okazaki had training Sig Kufferath in this multi-faceted therapy, and this course focuses on the Okazaki/Kufferath method of Restoration Massage Therapy.
